

MANUAL SPLICE

Introduce & Features

Specialized Single & Double Splice Tape with Peel Off(Remove Tapes) about the SMT related industries. We guarantee the customer satisfaction in splicing SMT.

Product Introduce Features

- No error in splicing
- Innovative Splicing Solutions
- No Machine Stop
- Easy to splice
- Fast to splice
- Accurate to splice
- Reliable splicing
- Effective Splicing Solutions

Products Lines

- A. Double Splice Tape/BSE TAPE
Double Splice Tape is for connecting Cover tape and Reels
- B. Double Splice Tape/DTB TAPE
Double Splice Tape is for connecting Cover tape and Reels
- C. Double Splice Tape/BSE-B TAPE
Double Splice Tape is for connecting Cover tape and Reels
- D. Single Splice Tape/SSTS TAPE
- E. Remove Tape/SPOT TAPE
- F. Jig etc/Finger Jig etc

ADTB-108

ADTB-112

ADTB-116

ADTB-124

If consider the quality and price then we suggest DTB SERIES. We improved the release paper and protective film be come off well.

- No Detection Tape
- Economic Type(Normal)
- Application: Paper 8mm reel
- Size: 8,12,16,24mm
- No Hole
- Blue tape

Introduce &Features

1. All Products

2. ABSE Tapes

2.1.BSE-B Tapes

3. ADTB Tapes

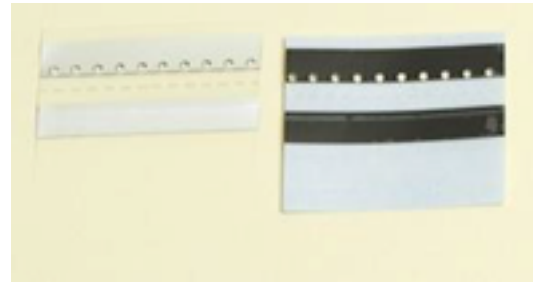

3.1.DTB-H Tapes

4. Single Tapes

5. Remove Tapes

6. Jig

ABSE-108 B

Features

- Detection Tape(Sensing Tape, Conductive&ESD Tape)
- Applied Mounter by sensing(FUJI, PANASONIC, SIEMENS(ASM), HITACHI at the same time
- Special Structure for usage all Detection Mounter(Conductive and Non adhesive)

ADTB-108 B

We make Double Splice Tape with hole

- Hole with Tape
- Can use with Finger Jig

ASSTS-209

ASSTS-212

We make single splice tape 9mm 12mm which pull out patent method. This case can use and keep well

- ESD Tape
- Patented Type(Pull Out Method)
- 9mm/12mm
- Application: Single Splice for splicing

Introduce &Features

1. All Products

2. ABSE Tapes

3. ADTB Tapes

4. Single Tapes

5. Remove Tapes

6. Jig

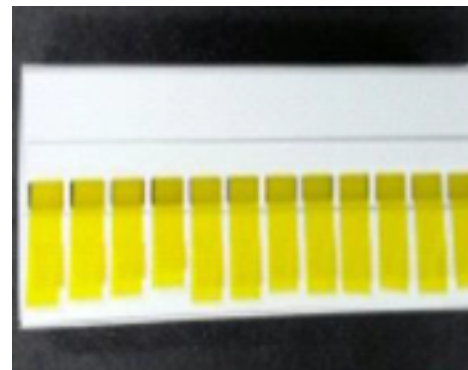

ASPOT-0823

We supply Tape Remover for peel off Film etc.
There are 2 kinds one time use and few times use tape which is patent

- Patented Type(Pull Out Method)
- 600pcs/1000pcs
- Application:For peeling off film etc

ASPOT-1032

**REMOVER TAPE/Superior Peel Off
Tape/8mmx23mm/Yellow/1000EA**

**REMOVER TAPE/Superior Peel Off
Tape/10mmx32mm/Green/600EA**

ASPOT-120

If the customer has a problem in splicing error,
we suggest to use Peel Off Tape for starting
pointing in the cover tape.

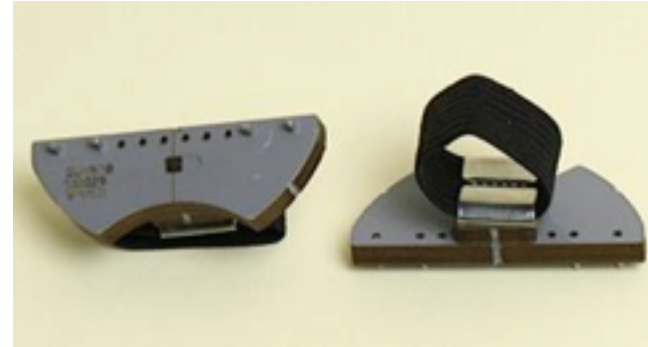

- Patented Type(Pull Out Method)
- 120pcs
- Application:For peeling off cover tape(No
splicing error) &Sealer for Reel End

Introduce &Features

1. All Products
2. ABSE Tapes
3. ADTB Tapes
4. Single Tapes
5. Remove Tapes

6. Jig

FINGER JIG

We supply Jig as finger, Plate and Plastic for BSE(B) Tape Series

- Easy to use - Beginner can do splice
- Application:For holding reels
- Finger Jig

PLATE JIG

FIX TAPE

For attaching and holding reels with Finger Jig/Plate Jig
